### 2009 Calendar of Events

It is hard to believe that 2008 is coming to a close. We want to thank all our customers for their support this year – it is to you we owe our on-going success! In January, we will be publishing our 2009 Calendar of Events. It will include some of the past favorites and also some new offerings. One of our new offerings will be a “Wine Academy.” At Parallel 44 we strive to be your trusted source for wine education and wine appreciation. At our Wine Academy, you will learn about wine making, grape growing, wine tasting and food pairing. Watch our January Newsletter for details.
