Join us again! For Saturday Summer Live Music - 4pm to 6pm

Our first Saturday Summer Music event featuring John Salerno & Open Interest was a hit! Although the band (and guests!) had to do some shuffling from outside to inside due to the weather, fun was had by all and the band played great. Join us at the upcoming events for more good music and of course, excellent wines! Baguettes and cheese platters will be offered - cost is \$5 and includes admission plus a glass with the Parallel 44 logo.
